Concordia Copper Project update

The Company announces that, further to the update provided to investors on 26 June 2017 in relation to the Company's earn-in to the Concordia Copper project (the "Project"), it continues to analyse and consolidate the results of the initial drilling programme. The Company intends to fully understand these results before making a decision to continuing with further exploration on the Project. The Company awaits completion of this work by consultants Minxcon and remains in discussions with Shirley Hayes in this regard. A further announcement will be made once Galileo has had the opportunity to review and assess the information generated by the initial drilling programme.
